NEWS RELEASE

For Immediate Release: 06/11/2019

Students Ride for 25¢ this July

Beaumont, CA—Beaumont Transit is rolling out a special summer fare for youth passengers; for the month of July, youth passengers can ride routes 3, 4 and 3/4 for only a quarter!

The special rate is a safe and affordable way for students to travel to the Beaumont Plunge, library, Community Recreation Center, local parks and the 2nd Street Marketplace shopping center. Promotional rate routes can also connect youth riders to additional local and regional routes servicing the entire Inland Empire for an additional fee.

While a school ID is the preferred method of receiving the 25¢ fare, bus drivers also will accept a California driver license or state ID showing the rider is under 18 years old. For more information on Beaumont Transit routes and special fares, please visit www.BeaumontCa.gov or call (951) 769-8530.
