For Immediate Release: 06/12/2019

## Oak Valley Interchange Closures

Beaumont, CA— As part of the Oak Valley Signalization Project, two interchange closures are planned for the preparation and paving of the Oak Valley overcrossing. The closures are scheduled for Thursday, June 20 and Tuesday, June 25, 2019 from 9:00 a.m. to 3:00 p.m. The paving project will require the closure of both eastbound and westbound ramps as well as the overcrossing.

During the two temporary closures, Oak Valley Parkway will be closed to through traffic between Desert Lawn Drive and Golf Club Drive. Interstate 10 will be accessible by Beaumont Avenue, 6<sup>th</sup> Street and Cherry Valley Boulevard. Residents are encouraged to plan ahead and expect delays at other area interchanges.

The Oak Valley Signalization Project is expected to be complete by mid-July. For questions regarding the project, please call the Beaumont Public Works Department at (951) 769-8522.
